## Steps

1. Topic
2. Gather your materials.
3. Create a Story Board
4. Transfer your storyboard to your digital tool
5. Edit
6. Share your story

## Step 1: Topic

Think about a topic: What story do you want your students to tell?

The topic we will developing is:

**My Mini-Autobiography**

## Step 2: Gather your materials

For the purpose of this project we will need:

2.1 Technology: Make sure your computer have PhotoStory3 Program. If it doesn't download it from http://www.microsoft.com/downloads/en/details.aspx?FamilyID=92755126-a008-49b3-b3f4-6f33852af9c1

## Step 2: Gather your materials (Cont)

2.2 Story board Template: The contents of your story board are:

- ✓ Me: Name
- ✓ Your country of origin flag: Your nationality
- ✓ Language you teach
- ✓ Your hobby: Spare time
- ✓ Your favorite book: Why?
- ✓ Your favorite food
- ✓ Free picture of something you would like to share about you.

Download the Story Board template in Module 4

## Step 2: Gather your materials (Cont)

2.3 Gather your digital pictures:

Use the pictures you downloaded during the online Module Two training. You can change pictures if you wish to so.
